CONFERENCE CENTER
PALATINE, IL**

SPONSOR PACKET

BRINGING PEOPLE TOGETHER

Solar Powering Illinois will engage utilities, policy makers, lenders, developers & contractors, local governments, and training & workforce development professionals to help them define opportunities in the solar market and access resources and networks to advance projects.

TO GROW SOLAR IN ILLINOIS

Topics covered at the conference include the Illinois Renewable Portfolio Standard (RPS), PACE financing, community choice aggregation, incentives, utility programs, permitting and interconnection, storage and demand response, third party ownership, Renewable Energy Credits (RECs), shared solar, local market development and workforce development.

WITH YOUR HELP

If your company is looking to position itself as a leader in the solar market, join us as a sponsor and demonstrate your leadership and commitment to helping solar grow in Illinois and across the Midwest.
