

Solar Twin Cities 2.0

GROUP BUY PROGRAM

Home and business owners across the Twin Cities come take advantage of Solar Twin Cities 2.0, a solar group buy program designed to help lower the cost of going solar! The Midwest Renewable Energy Association, TruNorth Solar, and the Center for Energy and Environment will share ways to reduce energy costs, how to get your home or business's solar potential assessed, and help answer "is now the right time to go solar?" Come to one our of Solar Power Hours this summer to get started on your path to solar! SolarTwinCities.org

ATTEND A "SOLAR POWER HOUR" INFO SESSION!
