

SAVE MONEY.
MAKE A DIFFERENCE.

GO SOLAR!

GROW SOLAR

CENTRAL WISCONSIN

Thinking about going solar?

Solar energy is a great way to reduce your energy bills, support the local economy, and help create a healthier environment!

If you are a Lincoln, Marathon, Portage, or Wood County home or business owner, attend a free, virtual Solar Power Hour webinar on Zoom to learn more about the Grow Solar Central Wisconsin program, an initiative aimed at making solar more accessible and affordable in our community.

Learn about the basics of solar, its financial benefits, and how the solar-group-buy program works. After the session, you can schedule a free, no-obligation site assessment at cwsolar.org.

See if solar is right for you!
