GO SOLAR!

Solarize 
Johnson County

Thinking about going solar?

Solar energy is a great way to reduce your energy bills, support the local economy, and help create a healthier environment!

If you are a Johnson County home, farm, or business owner, attend a free, virtual Solar Power Hour webinar on Zoom to learn more about the Solarize Johnson County program, an initiative aimed at making solar more accessible and affordable in our community.

Sign up at solarizejohnsoncounty.org to learn about the basics of solar, its financial benefits, and how the solar-group-buy program works. After the session, you can schedule a free, no-obligation site assessment at the same website.

See if solar is right for you!
