## Thinking about going solar?

Solar energy is a great way to reduce your energy bills, support the local economy, and help create a healthier environment!

If you are a Champaign, Piatt, or Vermilion County home or business owner, attend a free, virtual Solar Power Hour webinar on Zoom to learn more about the Solar Urbana-Champaign program, an initiative aimed at making solar more accessible and affordable in our community.

Come learn about the basics of solar, its financial benefits, and how the solar-group-buy program works. After the session, you can schedule a free, no-obligation site assessment at [solarurbanachampaign.com](http://solarurbanachampaign.com).
